Farwest Show Calls for Entries for 2019 New Varieties Showcase

Jennifer Zurko

The 2019 Farwest Show is accepting submissions of new plant introductions for the upcoming New Varieties Showcase. The showcase is an annual highlight of the trade show, held this year on August 21-23 at the Oregon Convention Center, Portland, Oregon. Each year, new plant varieties from around the world are on display and judged by industry experts (and more than 5,000 show attendees) for awards and recognition.

To be considered for inclusion in the Showcase, all entrants must visit farwestshow.com/new-varieties-showcase and download, complete and

return the New Varieties Showcase PDF entry form by the dates listed. For questions, contact Kristen Urban at kurban@oan.org or (503) 582-2011. **GT**
