### **Allsop Home & Garden**

Dress up any outdoor space with these enchantingly bright Aurora Glow solar string lights. Powered by the sun, these lights are self-sustaining, highly efficient and environmentally positive.

### **Anthony Tesselaar USA Inc.**

Flower Carpet Amber, part of the Next Generation series, combines a light fragrance and shades of amber-orange. This top-performing groundcover rose has improved disease resistance and is tolerant of heat and humidity.

### **Aquascape Inc.**

The Small AquaBasin addresses constrained landscape spaces and tighter budgets. The octagonal shape and professional-grade, high-density polyethylene allow for maximum strength. The AquaBasin measures 30 in. by 30 in. by 10 in. deep and holds 40 gal. of water. The deck can accommodate decorative features up to 300 lbs.

### **Ball Horticultural Company**

PanAmerican Seed's Easy Wave Burgundy Star Petunia is an excellent choice for landscapes, gardens, baskets and containers. Easy Wave varieties offer easy-to-flower, high-impact plants with minimal maintenance requirements.

### **Chocolate Flower Farm**

The Kid's Chocolate Garden Seed Kit features seeds for six easy-to-grow, safe and engaging chocolate-colored plants. The kit includes seed for Chocolate Sunflower, Chocolate Painted Tongue, Velour Frosted Chocolate Viola (edible), Calendula Coffee Crème (edible), Nasturtium Black Velvet (edible) and Chocolate Snapdragon.

### Cricket Forge

The Hummingbird Bench is 62 in. wide by 45 in. high and available in several colors. All benches are fabricated, shot blasted, weatherproofed with zinc, and painted with high-quality two-part epoxy paint. This weatherproof finishing technique results in a resistant coating that prevents oxidation.

### Ernst Benary of America Inc.

Delphinium grandiflorum Summer Cloud combines blue and white to create a beautiful bi-color flower. Summer Cloud thrives in heat and humidity. Early flowering combined with a well-branched habit (10 to 12 in.) make it a must-have in the garden.

### Fiskars

The Loop Handle Bypass Pruner with Carabiner Clip is corrosion resistant with a non-stick blade coating that reduces friction for easier cutting. Just like scissors, the lower loop handle provides the perfect balance of comfort and control. Features a 5/8-in. cutting capacity.

### Four Star Greenhouse Inc.

Proven Winners Diamond Frost euphorbia is an exceptional plant, winning awards worldwide. Don't be fooled by its delicate look, as this tough plant holds its color all season long. This annual offers a 12- to 18-in. mounding habit, loves full to partial sun, and complements any plant it is near.

### Goldsmith Seeds

The Picobella petunia series is the next generation of Milliflora petunias. Grow it just like any other petunia, with no special regime or PGRs required. Picobella has a nicely mounded habit with loads of branching and flowers. Available in five colors and a mixture.

### **Magnet Works**

Colorugs, a new line of mixed-use washable accent rugs are made of 100% polyester, making them lightweight yet durable. Colorugs measure 20 in. by 36 in. A convenient floor display holds all 24 designs and features flipper bars for easy browsing.

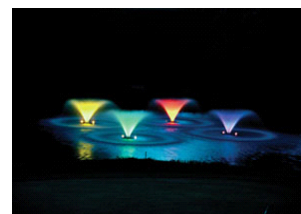

### **McCorkle Nurseries Inc.**

From the Gardener's Confidence Collection, Snow Dazzle dwarf crapemyrtle displays pure white flowers accompanied by glossy dark-green, wavy leaves. Its compact, mounded form only grows 2 to 3 ft. high and wide in 4 to 5 years. High mildew resistance.

### **Midwest**

Bloom is a stylish, giftable candle collection from Colonial Candle. The collection features floral designs in vibrant colors designed to bring the beauty and fragrance of fresh flowers indoors. Designs include luminaries, filled ceramic container candles and glass votive holders.

### **M.K. Rittenhouse & Sons Ltd.**

Rittenhouse offers a wide selection of high-quality Kasko fountains ranging in size from 1/4 hp to 5 hp for large ponds or lakes. Multi-colored lighting kits are also available for each kit.

### **Monrovia**

Kopper Kettle Itoh peony has large 8-in., copper-orange, semi-double flowers with a darker center and occasional yellow streaks in the petals that add to the beauty of these blooms. With its distinct flower color and handsome dark-green foliage, this brilliant beauty is a showstopper.

### **Myers Industries Lawn & Garden Group**

Planters' Pride's Fiber Grow coir growing products offer an environmentally friendly alternative to peat harvesting. Developed from coconut husks and used as soil replacement, the products are rapidly renewable. Products boast a variety of benefits including: requires less watering, resists mold, and lasts up to two seasons.

### **Natural Industries Inc.**

Plants survive without watering for more than two weeks with the new Stasis Drench Anti-Transpirant. Stasis is an effective tool to protect against drought, transplant shock and shipping shrinkage due to inadequate or lack of watering. Safe and all-natural.

### **Nature Pavilion**

Raise your own Painted Lady butterflies and witness the wonder of the butterfly life cycle with the Butterfly Pavilion. The kit includes a 2-ft. pop-up pavilion and a coupon for 10 caterpillars.

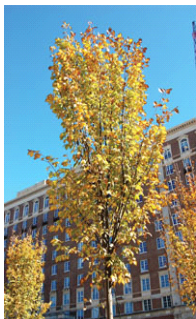

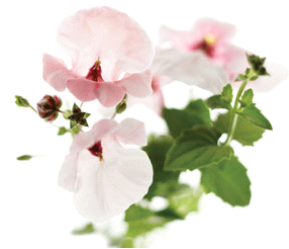

### **Poly-Tex Inc.**

This new 4-level circle display doesn't have a bad side. Its flattened, expanded metal bench tops are perfect for displaying smaller floral and giftware. It also includes swivel-locking casters so you can put your merchandise just where you need it.

### **Proven Winners**

Flirtation Pink, the first in a new series of Diascia, is sure to bring interest to the genus. The pink flowers feature maroon-red throats, and its compact, sturdy, semi-trailing form makes it perfect for hanging baskets and containers. Combines regional winter performance with strong spring through summer performance across the U.S.

### **Sharp Top Trees & Riveredge Farms**

Plant a piece of history with the Princeton American elm. This Dutch elm disease-resistant tree is fast growing, deep rooted, and salt and snow tolerant. Adaptable to Zones 2b-9, it has an upright vase shape and a striking butter-yellow fall color.

### **Spring Meadow Nursery Inc.**

Proven Winners ColorChoice flowering shrub Ghost weigela has dark reddish-pink flowers in spring and remarkable foliage that transforms to an iridescent buttercream as the season progresses. It reaches 4 to 5 ft. tall and wide and is best in full sun.

### **The Brass Baron Fountains & Statuary Inc.**

The life-sized Park Bench Girls is hand cast in beautiful bronze for premium, heirloom quality. At over 4 ft. wide and 3 ft. high, Park Bench Girls is an impressive sculpture for both residential and commercial landscapes.

### **Winston Company Inc.**

CrystalClear D-Solv9 is a complete pond cleaner that clears pond water in all sizes of ponds, fountains, bubblers and streams in a matter of days. CrystalClear D-Solv9 is designed to treat more water with less product for a much more efficient clearing process.
