Product Profiles

Adriana Heikkila

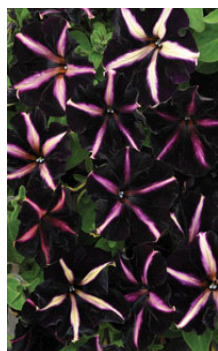

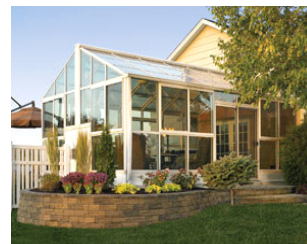

Alpine Corporation

Alpine Corporation offers a whole line of solar products, featuring their top POP display. This display comes with 16- to 33-in. Solar Mosaic Globe stakes with four different styles. Simply stake the globe into your garden and let it charge during the day, and watch it illuminate at night.

Anchor Wall Systems Inc.

Featuring a warm and inviting look inspired by natural stacked stone, the LedgeWall retaining wall system is the perfect choice for do-it-yourselfers. The rear -lip locator, invented by Anchor Wall Systems, makes installation fast and easy.

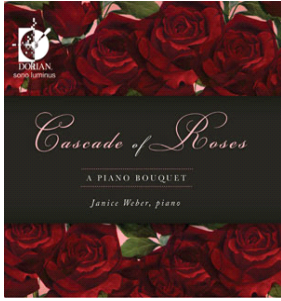

Ball FloraPlant

Distinctive Pinstripe Petunia from Ball FloraPlant adds a stylish and sophisticated look to mixed containers. Each dark-purple bloom shows off a creamy white star pattern. Grow, sell and display mounded and upright Pinstripe right along with Black Velvet and Phantom, as they share the same plant habit and easy culture.

Carruth Studio

The Woodland Gathering hand-cast stone sculpture captures a variety of animals in a delightful nature scene. It's free standing and has a hook on the back for hanging. Woodland Gathering is made in the U.S., measures 4 in. by 5.5 in. by 1.5 in., and comes gift boxed.

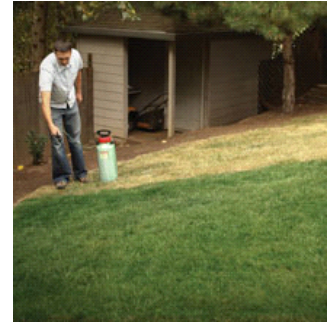

Dorian Sono Luminus

"Cascade of Roses: A Piano Bouquet" is a beautiful collection of poetic songs performed by pianist Janice Weber depicting the fragile and fragrant rose. The hardcover book package has images of the roses that correspond with each song as well as poems and accompanying notes about the pieces.

Easy Green Lawn Paint

Easy Green Lawn Paint is a fast and economical way to restore the natural green color to distressed turf. It's a great way to quickly improve a home's curb appeal by giving it a lush green lawn. The dye is harmless to the lawn, pets and people, and lasts up to three months.

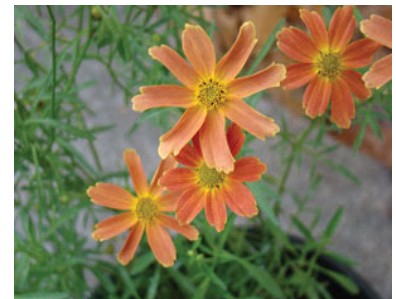

Ecosource Home & Garden LLC

These retro-inspired 11-in. by 6-in. cans come with everything needed to grow an organic garden at home: rice hull tray, growing cells, soil, organic seed, instructions and a decorative canister. Each kit grows up to 10 seedlings. Mix and match 10 varieties.

Emerald Coast Growers

Emerald Coast Growers puts big sales on your horizon with Coreopsis Sienna Sunset. Its bold, burnt sienna flowers lighten to coral as they mature. Delicate foliage creates airy texture, attractive with or (rarely) without flowers. Exceptionally long, heavy blooming dramatically extends the appeal.

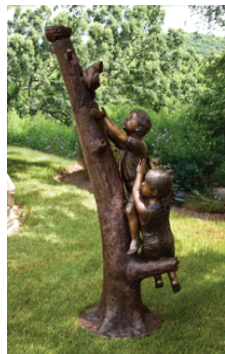

Florida Dancing Birds

These unique dancing garden birds bob up and down, rotating 360 degrees in the breeze. They are 100% weather resistant, made in the U.S., and measure 26 in. long by 7 in. wide. Available in Egrets, Herons, Cranes and Flamingos.

Greenex USA Inc.

This new *Campanula portenschlagiana* Royal can be used as a bedding plant, indoor plant and perennial. *Campanula* Royal features a high number of buds and flowers, large blooms, winter hardiness and a short production time.

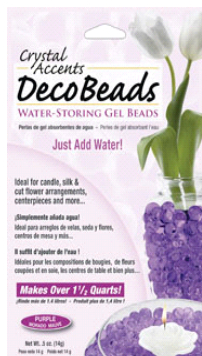

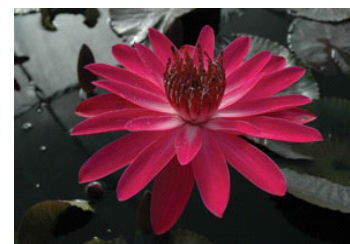

Henri Studio LLC

The latest Brass Baron creation is a new sculpture called *Climbing to The Rescue*. Cast in bronze using the ancient lost wax method, this delightful sculpture is nearly 6 ft. high. This is a Henri original, created through its recent acquisition of The Brass Baron.

International Waterlily & Water Gardening Society

Jennifer Rebecca is one of the best night-blooming tropical waterlilies that stays open from early evening until mid morning. Blooms of fuchsia/red are 6 to 8 in. across and rise well above the water. Its red/bronze leaves provide a striking accent and create visual appeal during daylight hours.

JRM Chemical Inc.

Deco Beads and Cubes are innovative polymers that create glimmering floral and candle arrangements. The translucent beads, in six colors, are available in attractive retail packaging with merchandise displays. Only 1 oz. of dry material is needed to make more than 3 qt. of decorative beads.

Kieft Pro-Seeds

First-year flowering perennial *Salvia* New Dimension from Kieft Pro-Seeds creates large, compact and well-branched plants topped by strong-colored flowers that are long lasting in the landscape. Available in Blue and Rose, New Dimension is a Fleuroselect Novelty Winner.

Pacific Northwest Christmas Tree Association

Free Buyers Guide from the growers of the Pacific Northwest, the world's largest supplier of Christmas trees. This guide contains the type and number of Christmas trees available. You'll also find availability on wreaths, cut greens, swags, tree stands and transportation.

Pinta International LLC

All Eco-Concepts products, including New Age Garden Planting Beds, are made with Eco-Flex, a blend of recycled polymers and wood waste/byproducts. The planting beds are easy to assemble with no tools required. The material maintains its natural appearance, or paint or stain.

Radius Garden LLC

Radius Pro-Lite Tools, with patented O-shaped handles, provide four times the gripping surface. Longer, lighter and lower priced than the Pro Tool line with over-sized, rolled-forward steps and sturdy fiberglass shafts. Available in Transplanter, Spade, Shovel and Digging Fork.

Rivard Companies

Gronomics prepackaged grow media and elevated garden stands enable you to grow a weed-free garden in a limited space with greater ease and convenience. The Trio Elevated Garden Stand offers an impressive 15 ft. of growing space. Gronomics products are constructed of 100% Western Red Cedar.

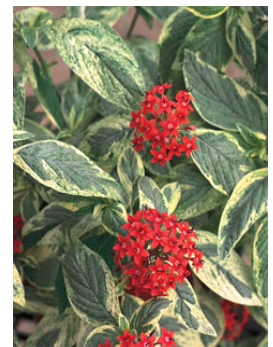

Selecta First Class

Impressive large flowers in unique colors, including the first-ever true pink, make Zion a high-appeal osteo series to consumers. The early-flowering, upright and well-branched plants from Selecta make a great focal point in patio gardens and offer good summer performance. Pictured Osteospermum Zion Pink.

Southern Living Plant Collection

A hummingbird paradise, new Athens Select variety Stars & Stripes Pentas grow 1 to 2 ft. and sports prolific scarlet flower clusters with pink centers. Stars & Stripes features lush dark-green and white variegated foliage with blooms from spring until fall.

Suntory Flowers Ltd.

These unusual, heat- and sun-tolerant fuchsias expand the possibilities for planting. The blooms are more compact than most fuchsias, increasing density of production and shelf life. Angel Earrings Dainty has a distinctive upright habit and grows beautifully in window boxes, patio pots and even as bedding plants.

Suntory Flowers Ltd.

Suntory Flowers introduces their Desana line of ipomoeas. With a compact habit and short internodes, Desana Ipomoeas make an excellent 4-in. and 6-in. finished product. It also works wonders in combinations by adding color, texture and drama without dominating complementary plantings. Great in warm, humid climates.

Syngenta Flowers Inc.

The Delta Premium Pansy series produces large flowers with less plant stretch and longer shelf life, making it an excellent choice for fall, winter and spring flowerings. Mixes have a full color range and supports seasonal and holiday programs well. Pictured Delta Premium Tapestry.

Wingscapes

See your garden grow like never before with a Timelapse PlantCam from Wingscapes. This weatherproof digital camera takes photos at set time intervals, automatically creating movies of your plants in fast-forward motion.
