Plant Source Int'l Acquires Shady Oaks Nursery

Chris Beytes

Troy Lucht, owner of Plant Source International, a young plant distributor from Rogers, Minnesota, has acquired Shady Oak Nursery of Waseca, Minnesota, in order to take on Shady Oak's line of tissue culture hosta and succulents, including agave, aloe, dyckia, echeveria and yucca, to add to PSI's current range of annuals, herbs and specialty geraniums. **GT**
