## Griffin Sets Dates for 2018 Grower & Retailer Expos

*Jennifer Zurko*

Griffin has set the dates for its 2018 Grower & Retailer Expos. The company will host two Expos next year, one each in Massachusetts and Pennsylvania; both will be two-day events.

The Expos are open to Griffin customers of all types, including greenhouse and nursery growers, independent garden centers and controlled-environment agriculture operations. Both shows will feature suppliers, booking specials and educational opportunities representing the full breadth of Griffin's product offering—hardgoods, live goods and retail

supplies.

The Massachusetts Expo will take place August 28-29, 2018, at the DCU Center in Worcester. The Pennsylvania Expo is set for September 26-27, 2018, at the Lancaster County Convention Center in Lancaster.
