Field to Vase Announces 2020 Dinners

Chris Beytes

For 2020, the cut flower promotion group announces four dinners so far scheduled, along with two more TBD:

- April 16: The Flower Fields—Carlsbad, California
- June 20: Ocean Breeze Farm—Arroyo Grande, California
- July 18: Harmony Harvest Farm—Weyers Cave, Virginia
- October 24: Texas Specialty Cut Flowers—Blanco, Texas

In August, they're planning one in western Washington that they're calling "one of our more adventurous locations yet." In September, they'll be at a yet-to-be-named northern California flower farm.
