Jennifer Zurko

The Florida Nursery, Grower & Landscape Association's (FNGLA) Landscape Show is back in person for 2021 during a new month with new show days: Wednesday, Thursday & Friday, August 25-27 at the Orange County Convention Center in Orlando.

Attendees can get the inside track on real-time plants, trees and hardgoods availability from hundreds of exhibiting companies, and share business practices with colleagues. This year's show theme—Together Again—has never been more relevant.

Registration is now open. For more information and to register, go to www.thelandscapeshow.org. **GT**
