Six National AAS Winners Announced for 2024

Jennifer Zurko

All-America Selections (AAS), North America's most well-known and respected non-profit plant trialing organization, has six new National AAS Winners available for 2024. They are:

- Celosia Burning Embers (Clover Seed Company)
- Geranium Interspecific Big EEZE Pink Batik (Dümmen Orange)
- Impatiens Interspecific Solarscape XL Pink Jewel (PanAmerican Seed)
- Petchoa EnViva Pink (Selecta One)
- Broccoli Purple Magic F1 (Sakata)
- Pepper Red Impact F1 (Bayer Vegetable Seeds)

All AAS Winners are trialed throughout North America by professional, independent, volunteer judges who grow new, never-before-sold entries next to comparisons that are considered best-in-class. Only those entries that have superior garden performance, better than the comparisons, are granted the AAS award designation.
