*Chris Beytes*

The National All-America Selections (AAS) winners for 2025 include four flowers and four vegetables. They are:

- Dahlia Black Forest Ruby (American Takii)
- Marigold Mango Tango (Benary)
- Petunia Shake Raspberry F1 (Hem Genetics) *pictured*
- Snapdragon DoubleShot Yellow Red Heart F1 (Hem Genetics)
- Kohlrabi Konstance F1 (Bejo USA)
- Pepper, mini Pick-N-Pop Yellow F1 (Seminis Home Garden)
- Squash Green Lightning F1 (PanAmerican Seed exclusive)
- Squash Thriller F1 (Sakata Seed America) *pictured*

Each is featured in custom videos on their individual AAS Winner webpage, on the AAS YouTube channel and via social media, public relations and trade shows. Plus you can get bench cards, variety markers and more from AAS.

All AAS Winners are trialed throughout North America by professional, independent, volunteer judges who grow new, never-before-sold entries next to comparisons that are considered best-in-class. Only those entries that have superior garden performance—better than the comparisons—are granted the AAS award designation. **GT**
