## Save the Date for the Northeast Greenhouse Conference

*Jennifer Zurko*

The Northeast Greenhouse Conference & Expo will be back in downtown Manchester, New Hampshire, November 12-13, 2025 at the DoubleTree by Hilton Hotel.

This year, there will be a larger exhibit hall, along with educational topics that will include floriculture production, herbaceous perennials and native plants, business and marketing, Spanish language sessions, and pest and disease management.

The biennial Northeast Greenhouse Conference & Expo is co-sponsored by New England Floriculture, Inc., a group of grower representatives from the Northeast, augmented by University and Cooperative Extension staff in each state who specialize in greenhouse crops and management.
