The Western Show Canceled

Ellen Wells

The 2021 Western, the show of the Western Nursery and Landscape Association, has been canceled. COVID concerns were the factor in the scratching of this Kansas City, Missouri, show that takes place in the middle of January.

The WNLA Board of Directors has elected not to reschedule for 2022. The reason cited is the financial uncertainty created by not holding a show in 2021. The board is, however, looking for ways to launch a future event that provides education, networking and trade opportunities for its green industry members. Keep an eye on wnla.org for the latest. **GT**
