Don't Forget to Register for Cultivate'22

Jennifer Zurko

If you haven't already done so, there's still time to register for Cultivate'22, scheduled for July 16-19 at its usual spot, the Columbus (Ohio) Convention Center.

It's a must-attend event, with 145 educational opportunities that include nine tracks of sessions for nursery, landscape, greenhouse, garden retail, interiorscape, hemp and more, plus four tours. And don't forget the trade show with over 500 exhibitors.

For more information and to register, go to cultivateevent.org. **GT**
